TABLET PORTRAIT
CONTACT PAGE

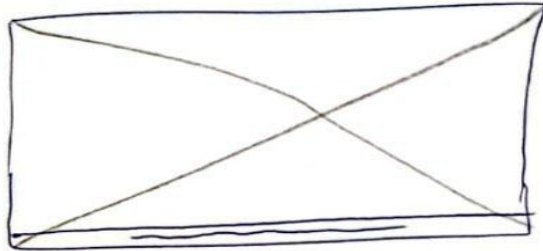

A hand-drawn sketch of a contact page layout for a tablet in portrait orientation. The layout is enclosed in a rectangular frame. At the top center, the word "CONTACT" is written. In the top right corner, there are three horizontal lines representing a hamburger menu. Below the menu, on the left side, there are three rows of input fields, each preceded by a circular icon containing an 'X'. To the right of these is a large rectangular area, possibly for a profile picture or a map. Below the input fields, there are three more input fields, with the middle one containing an '@' symbol. At the bottom of the page, there are five circular icons, each containing an 'X', arranged horizontally. The entire sketch is drawn with simple black lines.
